

League of Legends - Reaching the ELO Summit: A Guide to Improve Your Play (Paperback)

By David Rieser

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.First of all I want to warn you that if you are looking for some kind of "get-rich-quick" scheme here than I have to disappoint you. In fact, one of the reasons I decided to write this book was because there are only very few books about League of Legends ELO raising out there and most of them are pretty crappy. Some 20-30 page notebook promise you the world but the truth is, League of Legends is a lot more complex than you might think. Even this 140 page book is focused on only teaching you the most important things to get to Diamond ELO and beyond. League of Legends is somewhat different to a lot of other competitive computer games such as Starcraft and Counter Strike. It does not take a lot of mechanical skill on the computer to be able to play on par with the best players in the world. Knowledge about the game and mentality are way more important than most people think. This is why I am still able to...
