Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Rudiments of the Art of Building: In Five Sections General Principles of Construction; Materials Used in Building; Strength of Materials; Use of Materials; Working Drawings, Specifications, and Estimates In offering this little volume to the public, it may be desirable to say a few words, by way of preface, as to the object and character of the work. It has been written at the suggestion of the publisher, to accompany the Rudimentary Series, and as a first book on the Art of Building, intended for the use of young persons who are about to commence their professional training for any pursuit connected with the erection of buildings; and, also, for the use of amateurs who wish to obtain a general knowledge of the subject without devoting to it the time requisite for the study of the larger works that have been written on the different branches of construction. To avoid unnecessarily extending the limits of the work, those subjects are omitted which are treated of in other volumes of this series, as Building Stone, Brick-making,...
