Reviews

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

Newgate Press. Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.8in. x 5.9in. x 0.8in. This book presents an extensive overview of the main issues surrounding violence in prisons, jails, and juvenile facilities. One in one hundred American adults are currently incarcerated and the threat of violence in these facilities affects not only the inmates who reside there but also the custodial and professional staff. Despite recent reductions in lethal violence over the past two decades, each year approximately 70 homicides occur in these facilities and tens of thousands of incidences of non-fatal violence occur. The threat of violence may, in many cases, force treatment and rehabilitation efforts to take a backseat to institutional and personal safety concerns. Further, the aftermath of violence for victims, perpetrators, and witnesses poses serious issues for the community as the overwhelming majority of inmates eventually return home. The contributors to this volume examine these issues, highlight promising violence prevention and reduction strategies, and outline an agenda for future research. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
