Atlantic Monthly Press, 2015. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Advance Praise for The Internet Is Not the Answer : "Andrew Keen has written a very powerful and daring manifesto questioning whether the Internet lives up to its own espoused values. He is not an opponent of Internet culture, he is its conscience, and must be heard."-- Po Bronson "Andrew Keen has again shown himself one of the sharpest critics of Silicon Valley hype, greed, egotism, and inequity. His tales are revealing, his analyses biting. Beneath the criticism is a moral commitment, too, a defense of humane society--the right to be left alone, a fair shot at success, access to the doings of the powerful, and other democratic ideals threatened by the Internet and its moguls."-- Mark Bauerlein, author of The Dumbest Generation "Keen provokes us in every sense of the word--at times maddening, more often thought-provoking, he lets just enough out of the Silicon Valley hot air balloon to start a real conversation about the full impact of digital technology. But will anyone accept the invitation? And, if they do, will anyone thank Andrew Keen for bursting our bubble? If so, maybe there's hope for the digital generation after all."-- Larry Downes, co-author of Unleashing the Killer App "A provocative title and an even more provocative book. Andrew Keen rightly challenges us to think about how the internet will shape society. I remain more optimistic, but hope I'm right to be so."-- Mark Read, CEO, WPP Digital "Andrew Keen has done it again. With great authority he places modern Silicon Valley into a historical context, comparing its structure to the feudal system, which produced a wealthy elite from the efforts of myriad serfs. If you have read The Circle , this...
