Paperback. Book Condition: New. Not Signed; Fully revised and expanded for the first time in a decade, The Art of the Start 2.0 is Guy Kawasaki's classic bestselling guide to launching and making your new product, service or idea a success. This new edition has been expanded to reflect the seismic changes in business over the last decade, in which once-invulnerable market leaders have struggled and many of the basics of getting established have become easier, cheaper and more democratic. Whether you're an aspiring entrepreneur, own a business, or want to get more entrepreneurial within any organisation, this book will help you make your crazy ideas stick.
