Wilderness Millennia Book IV: Into the Deep Blue Dark (Paperback)

By George W Harper

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The saga continues. If you have read the first three novels you already know this will be something different while still adhering to my promise of remaining true to my announced purpose of writing a connected science fiction tale which avoids mystic auras and people 5,000 years from now parroting biases and attitudes reflecting 20th Century values and aspirations. When Jules Verne penned his tale of a journey to the moon depicted men attired with swallow-tailed trousers, top hats and spats designed to protect the ankles from mud/ The women all sported bustles, wore magnificent ostrich-plumed chapeaus and were shielded from the sun by their parasols! Contrast that with the realities of our world barely one and a half centuries later. The changes are stunning. Extrapolating to some 50 centuries from now is dicey, but we may be certain they will be surprising. As a final tidbit, ask yourself if it is potentially possible to escape from a black hole! The problem arises here and the solution is guaranteed to surprise even the most hidebound...

Reviews

This is an awesome publication which i have actually read. This is certainly for all who statte that there was not a well worth reading through. Its been designed in an extremely straightforward way and it is merely after i finished reading this ebook in which actually changed me, affect the way in my opinion.
