

Organic Chemistry (third edition)

By CAI SU DE

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 410 Publisher: China Building Industry Press Pub. Date :2006-10-1. This book, based on the revised second edition, points, and next, a total of 14 chapters, including: Introduction, hydrocarbon, hydrocarbon halogen derivatives, alcohols, phenols, ethers, aldehydes and ketones, carboxylic acids and carboxylic acid derivatives, sulfur compounds, nitrogen-containing organic compounds, heterocyclic compounds, synthetic polymers, carbohydrates, amino acids, proteins, nucleic acids, three-dimensional chemistry profile, determination of organic structure of the physical methods. Exercise book with Answers and experimental parts. Colleges and universities in addition to the book as a water supply and drainage engineering, environmental engineering and construction materials professional undergraduate teaching, but also for related graduate, research and engineering technical personnel for reference, but also for less hours of non-chemical engineering as a teaching book. Contents: Introduction Chapter 1 article on Chapter 2 Chapter 3 hydrocarbon halogen derivatives of hydrocarbons Chapter 4 alcohol, Phenols, ether Chapter 5 Chapter 6 aldehydes and ketones, and carboxylic acid derivatives of sulfur-containing organic compounds in Chapter 7 Chapter 8 Chapter 9 nitrogen-containing organic compounds, heterocyclic compounds synthesized polymers Chapter 10 next 11...
