Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Rainbow Messages is a remarkable, modern elucidation of Divine Secrets, previously the basis of the ancient and historic books called Scripture, Sacred, Writings etc and which today are so often misunderstood in their terms and expressions, which belong to eras of over 1000 years and more ago. The Messages are drawn from conversations Ephraim Dominici had with God - he would be normally termed a modern day pilgrim and mystic, but who describes himself as an average family man with no special talents, who simply sought the truth about the God his mother always described as our great friend. It is wonderfully fresh and contemporary and gives a new and much needed, lucidly clear presentation concerning an awesome God, divine love and power, happiness, the real truth about this life and life after death. Importantly, it gives wonderfully simple counsel on how it is possible to develop a most intimate relationship with God - one that can turn our life into an awesomely amazing adventure, full of peace, protection, security and free from the fears, anxieties, depressions and negative states of normal daily life for most of us, now. It is a bridge for peoples of all religions, faiths, beliefs. cultures and races in this new era of enlightenment. It is a remarkable and open dialogue that is far from many contrived and structured human attempts to give an impression of what God is like and what God expects of us. This is so different, where we find a God who longs to be our friend and to lead us into a new life, who does not criticise or condemn us, who is always available to us...
