In my report of the 31st of August last, I communicated the result of my examination of the thirty miles of road between Greenfield and the Tunnel, and recommended that it be placed at once under contract, which has accordingly been done by the Commissioners with your approval. The work is now reported by them to be actively progressing upon the thirteen miles between Greenfield and Shelburne Falls, the contractor confining his operations at present to this section of the route, as important to be opened first, and as containing the heaviest work. He is bound to complete it to Shelburne Falls by November 15th, 1867, and to the Tunnel by July 15th 1868, and I think...
