CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. Dimensions: 10.8in. x 8.4in. x 0.4in. The Flamenco Guitar Roadmap is a guide that will act as your teacher for learning flamenco guitar. Chances are you live in an area that has very little or no flamenco presence at all. It is difficult to find information and it is difficult to get a complete picture of flamenco and how to learn it. There exists material that will teach you techniques but finding the rest of the information is a challenge. You need more than a technique book to learn flamenco; how many people do you know who have several and still cannot progress This guide goes beyond technique and adds the missing information, explaining what flamenco is, how you should learn, how to practice, and what learning material is the most effective to allow you to reach the advanced level of playing. The Flamenco Guitar Roadmap does not invent a new technique teaching method, or provide new tab exercises; enough already exist out there. The challenge is finding it and knowing how to use properly. This guide will fill the gaps and answer questions you will have; it is that comprehensive information that is missing out there. The Flamenco Guitar Roadmap will be your guide, your roadmap to understanding flamenco and learning how to play flamenco guitar; saving you years of wasted time and money and making sure you learn to play correctly right from the start. The perfect guide for beginners and people who already started and got lost along the way. This item ships from La Vergne, TN. Paperback.
