FOUNDATIONS OF CHRISTIAN THOUGHT: FAITH, LEARNING, AND THE CHRISTIAN WORLDVIEW

Kregel Publications,U.S. Paperback / softback. Book Condition: new. BRAND NEW, Foundations of Christian Thought: Faith, Learning, and the Christian Worldview, Mark P Cosgrove, "Faith is not just meant for church on Sunday," contends Mark Cosgrove. "Faith and learning are interwoven with each other for the full functioning of the human mind." A book that details this interconnection between faith and learning, Foundations of Christian Thought encourages readers to view the Christian faith and worldview as relevant to everything they read, study, and consider. In part 1, Cosgrove explores the relationship between faith and learning and how an underlying worldview can influence one's beliefs. Part 2 describes and tests five major worldviews competing with Christian theism, including naturalism, secular humanism, atheistic existentialism, pantheism, and the New Age movement. The last part probes the Christian worldview in more detail by analyzing the challenges it faces and how it is lived out day-to-day. An educator on the college campus for thirty years, Cosgrove testifies to how well the Christian worldview relates with the current needs and ideas in American culture. Through Foundations of Christian Thought, high school and college students will begin to see how the Christian worldview is relevant to what they are studying in the classroom and the decisions they make. Readers in the workforce and elsewhere will learn to relate their faith to modern worldviews in our culture.
