Reviews

Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It's been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modified the way in my opinion.

Farrar Straus Giroux, United States, 2006. Paperback. Book Condition: New. Reprint. 190 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.Finding a way to cope through poetryThe days seem carefree for Piper Berry in her hometown of Buttermilk Hill, North Carolina -- days filled with fishing with her daddy and ten-year-old aunt/best friend Lindy and listening to her grandmother s stories. But then Mama, Tiny Lambert (whom readers may remember from Weeping Willow), announces she wants more out of life than being a housewife, and Daddy thinks this is unreasonable. He moves out and that ugly word d-i-v-o-r-c-e becomes a reality. Soon Mama s time becomes consumed with waiting tables and taking college classes. Daddy remarries, adopts two sons, and has a new baby daughter. Piper can t help but feel as if she doesn t belong anywhere anymore, and her only comfort is found in spending time with Lindy and their friend Bucky, whose life is full of his own share of family trouble. Piper s growing interest in and talent for poetry help her find a voice to say the things that are hardest and make an important decision about following her own dreams.
