That's all it took for Web London to lose everything: his friends, his team, his reputation. Coping with the blame-filled words of anguished widows and the suspicions of colleagues, Web tries to put his life back together. To do so, he must discover why he was the one man who lived through the ambush - and find the only other person who came out of the alley alive .a ten-year-old boy who has since disappeared. Acting on his instincts, Web believes he knows where the killer will strike next. Only this time, he may not survive the attack. In this extraordinary work, Baldacci uses his unsurpassed storytelling skills to explore the essence of survival itself, as a conspiracy of violence surrounds an FBI agent whose fate was to be the .LAST MAN STANDING.
