Although by common consent the greatest theologian of the Anglican tradition, Richard Hooker is little known in Protestant circles more generally, and increasingly neglected within the Anglican Communion. Although scholarship on Hooker has witnessed a dramatic renaissance within the last generation, thus far this has tended to make Hooker less, not more accessible to general audiences, and interpreters have been sharply divided on the meaning of his theology. This book aims to draw upon recent research in order to offer a fresh portrait of Hooker in his original historical context, one in which it had not yet occurred to any Englishman to assume the label Anglican, and to bring him to life for all branches of the contemporary church. Part One examines his life, writings, and reputation, puncturing several old myths along the way. Part Two seeks to establish Hooker s theological and pastoral vision, exploring why he wrote, how he wrote, whom he was seeking to persuade, and whom he was seeking to refute. Part Three analyzes key themes of Hooker s theology--Scripture, Law, Church, and Sacraments--and how they related to his late Reformation context. Finally, the concluding chapter proposes Hooker s method as a model for our confused contemporary age, combining fidelity to Scripture, historical awareness, and a pastorally sensitive pragmatism. Brad Littlejohn brings to bear an impressive range and depth of scholarship and critical insight to set Hooker in the context of the controversies of his time, and guides us through the maze of contemporary interpretations of Hooker s thought and significance. --Paul Avis, Professor...
