Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is about my own fight against myself. The real enemy of my life is myself. I've been through hell in order to get to heaven, and I made it. As I look back, I see millions of people still going through hell and lost in life, so I use my life experiences to motivate, activate, and elevate the quality and hopes of the hopeless in this world. We all are the problems and solutions to ourselves, and we possess the most beautiful and valuable treasure and resources that exist in this world (our minds). Our minds and the gift in them are the most precious things in the world, and most people don't know it. This book will help millions of people to see clear the importance of themselves. You can have everything in life, but if you don't have inner peace, then you are a lost creature and a useless human being.
